## CRUSHPROOF CONTAINMENT HOSE AND REDUCERS

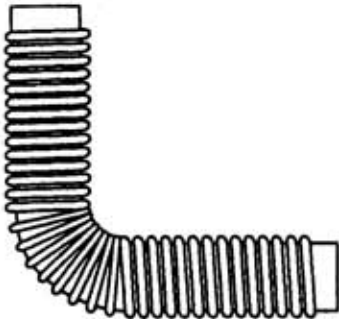

Made from the highest quality Buna-Nitrile material, the Crushproof containment hoses can be used as a 180°, 90° or 45° fitting, connector containment, isolation hose or secondary coupling. Offered in many sizes, the Crushproof containment hoses can be used over 2" or 3" primary pipe and can be clamped to 3" or 4" pipe.

- These hoses can be clamped directly to a 3" secondary pipe, used over 2" primary pipe. CLAMPS INCLUDED.

Part #	# Per Box
Boot 1001 3.5" I.D x 30" length	12
Boot 1002 3.5" I.D x 40" length	12

- These hoses can be clamped directly to a 4" secondary pipe, used over 2" or 3" primary pipe. CLAMPS INCLUDED.

Part #	# Per Box
Boot 1003 4.5" I.D. x 18" length	12
Boot 1004 4.5" I.D x 36" length	6

- These Buna-Nitrile reducers fit the above hoses.

Part #	Size
Reducer #2001	3.5" O.D x 1.85" I.D
Reducer #2002	3.5" O.D x 2.4" I.D
Reducer #2004	3.5" O.D x 2" Hex I.D
Reducer #2005	3.5" O.D x 2.5" Hex I.D
Reducer #2003	4.5" O.D x 3" I.D
