## NEW SOLUTION FOR TWIN DIESEL PIPES FROM NORTH AMERICA'S LEADER IN GARAGE EXHAUST HOSE

New for  
2008!

### YA4475D offers these great features:

- \* Designed for new diesel pick-up trucks.
- \* 4" ID DYNO hose will take the heat.
- \* F475DYNO adapters allow for more air flow.
- \* Can be connected to standard black hose.
- \* Great for use on ALL dual exhaust vehicles!
- \* Must be used with a fan-assisted system.
- \* Will NOT work during regeneration cycle.

**MADE IN THE U.S.A.**
